Happy New Year!

We hope all our students and their families had a fantastic holiday and New Year!

SPECIAL THANKS:

We would like to thank every family who donated much needed games, toys, and other wonderful gifts to Gifts of Love. The organization was very grateful for your generosity! We all appreciate the kindness you all show for those in need. The teachers would also like to thank you for gifts we received from some of our students for the holidays. You are very thoughtful! We have the best community of families at The Dance Connection!

INCLEMENT WEATHER:

In the case of inclement weather, studio closings will be posted on the home page of the website and on NBC30. Decisions will be made by noon. **Please note, even if schools are closed, classes may still be held if weather has improved.**

RECITAL INFORMATION:

- The tentative date for the recital has been set by Farmington Public Schools as Sunday, June 3, 2012. Dress rehearsal will be Saturday, June 2nd. Both the dress rehearsal and recital are held at Farmington High School. Our theme for this year's show is "Under The Big Top"!
- Class picture day is May 12th for all classes and May 11th for competition groups. These photos go in our recital program book and are also displayed in the lobby at the recital. Students will also have the opportunity to have individual and "friend" pictures taken.
- **IMPORTANT:** We are beginning to order recital costumes. Please bring your account up to date. Accounts with outstanding tuition or costume balances will be charged a late fee and costumes for your child can not be ordered.
- Once costume orders are placed, students will no longer be able to add, drop, or change classes.
